Breathe life into your backlist Have you launched a novel, or many novels, only to have them land with a whimper? Have you had a great selling book or series slowly fade away to obscurity? What if you could relaunch those books, turning your backlist into a great source of income? You can. This book will teach you: How to analyze your previous launches to determine failure points. How to turn your backlist into an automated system that feeds readers back into your other books. What types of relaunches exist, and which is right for your book. How other authors have successfully relaunched. What worked, and what didn't.
