Optimizing Value Flows with SAP ERP (Hardback)

By A. Holzwimmer, Arthur Vogelsang

SAP Press, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. Discover how and where value flows move through the SAP system, and where they sometimes trickle off. You will learn the financial processes in procurement, distribution, and production in detail and how to optimize them for better integration and cost efficiencies. Closing and reporting are also illuminated. The example of a real value-flow project, centered around the introduction of SAP General Ledger, gives you insight into the project management process of working with value flows. Procurement Process Learn the entire purchasing process from goods receipt through audit and discover the potential for optimization (i.e., interaction between MM and SAP ERP Financials). Sales and Distribution Process Discover in a detailed overview of the sales process how the value flows for accounts receivable and sales revenue are integrated and mapped. Manufacturing Process Gain an in-depth understanding of product costing and planning, cost accounting, and the many possible controlling and costing types. Closing and Reporting Get to know the complete and comprehensive reporting options available in SAP ERP and learn about the added value SAP NetWeaver BW offers for reporting and closing. Sample Corporate Case Study Apply what you...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
