A Secretly Handicapped Man

By Norbert Nathanson

North Wind Publishing. Paperback. Book Condition: New. Paperback. 374 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. After more than 30 years weathering stares and severe public and professional stigma, growing up in the working class of Depression Era Pittsburgh, and trying desperately to enter the new burgeoning field of television, the author experienced a miracle. Born without feet or one hand, new advances in medical science provided artificial legs which gave him a normal height, a natural appearance and gait, and permitted him to enjoy a previously unknown, life altering public anonymity. Being out of the spotlight of public stigma brought him peace. He never shared his story, and held his secrets fiercely. He has never seen himself as being different, nor defined himself in dramatic terms. An experienced, serious and driven educator and television executive, outdoorsman, sailor, carpenter, fisherman, he has formed his reality. His survival is a triumph, his life a victory. He doesn't understand that his accomplishments are remarkable. It is truly inspirational. It will help other people to have a greater appreciation of the issues you so eloquently describe by your experiences. Dr. Anthony Grieco, NYU Medical School. The book provides any reader, casual or otherwise, deep insights...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
