Theodore Roosevelt and the Assassin: Madness, Vengeance, and the Campaign of 191

By Helferich, Gerard.

Lyons Press. 1 Cloth(s), 2013. hard. Book Condition: New. "A lonely Manhattan saloonkeeper, John Flammang Schrank was obsessed with the 1912 presidential election and Theodore Roosevelt. The ex-president's extremism and third-term campaign struck Schrank as un-American; he believed TR would ignite civil war, and so answered what he thought to be a divine summons, buying a gun and stalking Roosevelt across seven states before making his move in Milwaukee on October 14. The author of *Stone of Kings* and *Humboldt's Cosmos* here gives us a fast-paced, suspenseful narrative that includes Schrank's own statements and writings, providing a chilling glimpse into the mind of a political assassin. "A lively account of Theodore Roosevelt's would-be murder reveals the roiling issues and personalities of that key campaign . Roosevelt's shooting certainly yanked American politics into the modern era and revealed the courage of the irrepressible victim . [Gerard] Helferich creates several wonderful character studies . within a blistering campaign." *Kirkus Reviews*" 287.
