*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## HE WAS DIFFERENT (PAPERBACK)

Xulon Press, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a fictional story based on real life events as it is evident through an African young man that grew up in the ghetto but didn't let the ghetto grow in to him as he went on from using junk he collected from dumping sights to creating toys that changed his life when he won a competition and travelled to the U.S.A for further studies on a scholarship changing his life and that of other people for good. Josh was born in Nairobi Kenya in 1984 and grew up in a poor urban area of Dandora in Nairobi's east lands and is the last born in a family of 7. His creative mind was evident in the drawings he made that had a lot of stories to tell that were entertaining and educating. After graduating with a Diploma in media production he worked as a freelance artist and one of his major projects was working as an Animator in the creation of Tinga tinga tales that are series of 52 animated films for young children. His writing has also grown over the years. He is married and blessed with one Child and at the production of this book they live together in the United States of America.
