paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback Pages. Number: 352 Application of Higher Mathematics at the upper two. Volume I consists of vector algebra and analytic geometry. functions. limits and continuity. differential calculus. applications of differential calculus. integral calculus of functions of one variable. the binary function calculus. etc. a total of six chapters and the reference number of teaching hours for 82 hours. Volume includes ordinary differential equations. series. determinant. matrix. linear equations. random events and their probability. random variables and their distribution. the numerical characteristics of random variables. law of large numbers and central limit theorem. parameter estimation. assuming test. numerical simulation. mathematical modeling. preliminary. etc. a total of 13 chapters. the reference number of teaching hours for 72 hours. The number of hours does not contain \* part. \* part of the contents for each school based on the actual selection. Book is necessary and sufficient degrees. compared with the ordinary specialist Higher Mathematics textbook. made a larger reform. the main features embodied in the following four areas: (1) retain higher mathematics core content teaching hours. a relatively large compression to adapt to the needs of higher vocational education less hours of higher mathematics teaching. (2) optimize the combination of classical system. the method of the same or similar content together to speak. to avoid duplication and fragmentation of relevant content. but also facilitate the students by comparing to deepen understanding and to deepen the impression. (3) strengthen the application in order to grasp the concept of teaching points. The book weakens the complex computing skills Limit indefinite integral indefinite integral is the students will use the points table. (4) engineering mathematics and mathematical combination of a course. save a number of teaching...
