Pub Date: 2012 Pages: 259 Language: Chinese in Publisher: China Legal Publishing administrative law enforcement personnel living in a diverse law enforcement environment. Thus, the administrative enforcement process is by no means a simple derivation of the legal + facts = decision. Higher levels will in addition to legal, judicial review and supervision of the representative institutions, administrative relative person's habits and experience of defense as well as administrative, natural emotional interests induction, the mass media, and many other variables may be of administrative law enforcement personnel have a strong influence. Administrative law enforcement personnel as a rational actors, all these variables must consider the trade-offs and choices. Administrative enforcement process, in essence, the administrative law enforcement personnel to wrest control of the process of law with a variety of variables. The face of the many variables of pressure, the administrative law enforcement personnel how to choose? Administrative decisions behind the hidden logic of what kind of action by the administrative law enforcement personnel? Administrative law enforcement personnel action logic: samples of the law to the W river Administration for Sociological Investigation W watercourses Authority for the study sample. Sociology of Law as a basic research methods, sorting the basis of various variables on the study of a variety of variables affect the process of administrative law enforcement personnel, mode of action, effects, and intensity, especially the mechanism of interaction between them in-depth analysis, trying to get on this basis, law enforcement officers on administrative action logic the principle of knowledge, so as to construct, improve China's administrative law system to provide meaningful revelation. Contents: Introduction, the motivation of the topics: administrative law in its institutional significance, the...
