Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.James Challoner, known to his friends and intimates as Jimmy, brushed an imaginary speck of dust from the shoulder of his dinner jacket, and momentarily stopped his cheery whistling to stare at himself in the glass with critical eyes. Jimmy was feeling very pleased with himself in particular and the world in general. He was young, and quite passably good-looking, he had backed a couple of winners that day for a nice little sum, and he was engaged to a woman with whom he had been desperately in love for at least three months. Three months was a long time for Jimmy Challoner to be in love (as a rule, three days was the outside limit which he allowed himself), but this-well, this was the real thing at last-the real, romantic thing of which author chaps and playwright Johnnies wrote; the thing which sweeps a man clean off his feet and paints the world with rainbow tints.
