Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Here you will learn about energies and how they affect your everyday life. This book includes step-by-step instructions to protect you from negative, harmful energies that you come in contact with on a daily basis such as: Microwaves, cell phones; computers; cranky or negative co-workers, family friends and a lot more, that we are not even aware of. So why not work with them, or for that matter have them work for you, to benefit your life, rather than harming it. Who needs to read this book? Not to mention if you are exploring the metaphysical world, where portals and vortexes are created everyday, without you even knowing it and yes you do need to...
