AS our Chief mechanism for dealing with individuals who come into conflict with their environment is that constituted by the courts and the police, the problem of mental deficiency very Often complicates that Of crime. The relief of such long-continued illness as insanity, usually tests, sooner or later, most of the different agencies of a community for the treatment of the sick and the care of the dependent. A careful study of the methods employed in dealing with mental deficiency and insanity throws light, therefore, upon the efficiency of many social agencies with which they do not, at first glance, seem especially concerned.
