Applause. 1 Paperback(s), 2011. soft. Book Condition: New. In the mid-1970s Charlotte Chandler interviewed Marlene Dietrich in the reclusive actress's Paris apartment. Her career was all but over, but she agreed to meet because Chandler hadn't known Dietrich earlier, "when I was young and very beautiful." Based on those conversations, Marlene is further enriched by interviews with others who knew her well, including Douglas Fairbanks Jr. and Burt Bacharach. Chandler relates how Dietrich began her career in Berlin as a model, then a stage and screen actress during the silent era, becoming a star with *The Blue Angel*, then moving on to become one of the brightest lights in Hollywood. Prior to World War II, the fiercely anti-Nazi Dietrich resisted Hitler's flattering invitations to return to Germany and instead became an American citizen, later entertaining Allied troops on the front lines. After the war, she embarked on a new, outstanding second career as a stage performer. Dietrich had a strict Prussian upbringing, but she refused to be constrained by society's expectations. She spoke candidly with Chandler about her unconventional marriage; she and her husband both had affairs, each with the other's consent. She even expressed warm feelings toward her husband's mistress. Marlene Dietrich lived an extraordinary life, and Chandler relies extensively on the star's own words to reveal how intriguing and fascinating that life really was."It hardly seems possible that there could be room for yet another important biography on so iconic a star as Marlene Dietrich . yet Charlotte Chandler's . proves invaluable. Chandler has again demonstrated her unparalleled ability to get major figures of Hollywood's golden age to talk about their lives with unprecedented openness."LATimes 304.
