Savas Beatie. Paperback. Condition: New. 744 pages. Chickamauga, according to soldier rumor, is a Cherokee word meaning River of Death. It certainly lived up to that grim sobriquet in September 1863 when the Union Army of the Cumberland and Confederate Army of Tennessee waged bloody combat along the banks of West Chickamauga Creek. Long considered a two-day affair, award-winning author David Powell embraces a fresh approach that explores Chickamauga as a three-day battle, with September 18 being key to understanding how the fighting developed the next morning. The second largest battle of the Civil War produced 35,000 casualties and one of the last, clear-cut Confederate tactical victories a triumph that for a short time reversed a series of Rebel defeats and reinvigorated the hope for Southern independence. At issue was Chattanooga, the important gateway to the South and logistical springboard into Georgia. The first of three installments spanning the entire campaign, *A Mad Irregular Battle* includes the Tullahoma Campaign in June, which set the stage for Chickamauga, and continues through the second day of fighting on September 19. The second installment finishes the battle from dawn on September 20 and carries the narrative through the retreat from the battlefield that night. The third and last book of the series covers the retreat into Chattanooga and the beginning of the siege, as well as appendices and essays exploring specific questions about the battle in substantially greater detail. Powell's magnificent study fully explores the battle from all perspectives and is based upon fifteen years of intensive...
