Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

A country school would choose I, II, and IV; a village or city school, I, III, IV. If the management should not care to offer preparation for the classical type of college. Curriculum I might be loft out. COST OF NEW HIGH SCHOOL PROGRAM. Curriculum No. I is now in general use and consequently no estimates of cost need be given. AGRICULTURAL CURRICULUM. I. Equipment. The laboratories would not cost more than those now in use in the approved high schools. Indeed, no new laboratories would be needed. Eventually, some land would be needed for demonstration purposes and some greenhouse construction would be needed. In most places a small plot of land near the school could be rented, if there is not one already belonging to the school. The greenhouse could usually...
