Amazon Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Outside a local bar, a man is drugged and slashed to death with a scalpel. Inside a local bank, a woman suffers a fatal heart attack after learning her life savings have been plundered. The crimes are as different as the night and day they occur. The vicious murder is a case for Eugene's Violent Crimes Division, but the more Detective Wade Jackson and his homicide team probe into the death of Rafel Mazari--an Iraq War veteran with disturbing secrets--the more it appears that one crime's victim may be the other's perpetrator. While there's damning evidence that Mazari died at the hands of his cheating wife, a phantom internet veterans charity--the same one that wiped out the heart attack victim's bank account--keeps cropping up at every turn of Jackson's investigation. And when Mazari's best friend turns up murdered in identical fashion, Jackson suspects a motive that's deeper, darker, and more devastating than broken vows and love turned lethal.
