

What Price Liberty?: How Freedom Was Won and is Being Lost

Filesize: 3.18 MB

Reviews

Here is the greatest book i have go through until now. It is actually writter in straightforward words and phrases rather than hard to understand. I am happy to let you know that this is actually the greatest ebook i have read during my own life and can be he finest book for possibly.

(Mr. Manley Strosin)

WHAT PRICE LIBERTY?: HOW FREEDOM WAS WON AND IS BEING LOST

[DOWNLOAD](#)

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, What Price Liberty?: How Freedom Was Won and is Being Lost, Ben Wilson, Fear of terrorism, crime, social chaos - factors which have put our ideal of individual liberty very much into retreat. Particularly in light of the debate surrounding 42-day detention, it is important to remind ourselves of just how complex the battle to achieve these rights has been. However, the question remains; how can we resist the growth of intrusive authoritarianism without exposing ourselves to crime, terrorism and other risks? History provides a guide to answering this question. "What Price Liberty?" takes us through four centuries of British, American and European history, elaborating not just how civil liberties were constructed in the past, but how they were continually rethought - and re-fought - in response to modernity, and puts into context the controversies of the past decade or so. If liberty is to survive now, it must again adapt to new circumstances, but it is up to us all to agree upon the value we place on it. An essential and utterly enlightening discussion, "What Price Liberty?" provides the material and arguments with which we can make sense of our times.
