Alfred Music, 1987. Paperback. Condition: New. Language: English . Brand New Book. Daily Warm-Up Exercises for Jazz Ensemble was written as a series of studies to aid the jazz group in performance. It is published in two volumes, Volume I for the young or beginning ensemble, and Volume II for the more advanced group. All musical groups need a short period of time during the beginning of a rehearsal to reacquaint their body functions with the needs of making music. Even though individuals warm-up by themselves in preparation for performance, the group as a whole needs to experience basic musical qualities---blend, balance, precision, intonation---together to ensure good ensemble performance. Hopefully, this series will provide the jazz ensemble with materials organized in a logical manner to accomplish these goals.
