Reviews

Excellent electronic book and helpful one. I could comprehend everything out of this published e book. I discovered this pdf from my i and dad suggested this book to discover.

(Dr. Daphnee Homenick II)

ENCRYPTED: A FRESH LOOK AT GOD, HOW HE FUNCTIONS AND COMMUNICATES.**DOWNLOAD**

Menzies and Company. Paperback. Condition: New. 150 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. In ENCRYPTED the author explores how God communicates to individuals in ways that only the individual desired for the message, gets it. He looks at how the individual can also communicate to God in a manner that only God understands, no matter whom else hears what is being said. In exploring this philosophy, the writer brings out numerous interesting arguments and discusses several Christian principles. Some of such principles have been misunderstood by many, some undervalued and yet some that have been taboo in some religious circles over the years. The book shares many provoking thoughts that will enrich the lives of its readers. It is a good read, written in simple language. E. G. Menzies uses contemporary, often relatable illustrations to bring across his points. The author intermingles technological, scientific and biblical concepts to show validity of his explanations. It is a fresh approach that makes one often go, ummh! Among the many topics discussed are those about prior association (everything we do has prior influence), there is nothing new under the sun and the epitome of every human concept has already been established by God. He shows stark examples of how some of the concepts we see arising today, such as the GPS, are based on principles already in place by God. He argues that as we create and build in this world, we are subconsciously seeking to advance a model here, of what our spirit knows already exist. The book also deals with the gift of tongues and its intended unique purpose. Speaking in tongues is a practice frowned upon by many over the years. The discussion of the gift in Encrypted brings new light to its appreciable worth. The author shows that language,...
