

Election is Just Not Fair! (Paperback)

By Moreno Dal Bello

Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For many people, the doctrine of election is one that just does not make sense, for it appears to contradict the teachings that God is Love and no respecter of persons. It is even seen as a doctrine which shuts many people out of heaven who desired entry. Thus, it is concluded that the doctrine of election is just not fair; that God would be unjust to select only some people to show His grace and mercy towards, in granting the gift of salvation, and simply leave the rest to themselves, or worse still, consign them to hell. The real reason behind such a conclusion is the flawed foundation upon which these notions are based—a foundation which says that man is not dead in sin as a result of the Fall but is merely a wounded soul, with the ability and desire to seek and choose God, intact. The concept of free will stands in eternal opposition to the doctrine of free grace.
