*Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).*

Anna Jorgensen, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Consistently bold, shocking, and hilarious. [and] a zany and refreshing, if slightly overwhelming, take on soul-searching, writing, and midlife crises. Kirkus Reviews Anna Jorgensen does what many of us have dreamed of doing: she escapes her life. In an entertaining collection of vignettes, this beige-on-beige, buttoned-up, uptight top realtor of twenty years ditches small town Canada and heads for big city Pacific Northwest to live a secret life as herself-unrestricted and unfiltered. She finds herself in several new roles: a coming undone blogger, screenwriter, and writer extraordinaire. In this 2 year snippet of Anna s life as Elaine, she comes face-to-lasered-face with her fear of change in life, love, and looks-her aging face, furrowing brow, sagging butt-all with an elevated (if confused) spirit. Searching for self-acceptance and authenticity, Elaine adopts a Yes! Girl attitude and meets studs, duds, and dudes-some handsome, some desperate, but no keepers. Anna considers such questions as: Should she try botox? Is there such a thing as the one ? Can men and (pretty) women really be friends? Will she have the courage to switch from Gucci to Goodwill in order to give up her bitter broker bitchiness and pursue creativity and . well, anything else? The self-interrogation doesn t end there and comes detailed in vivid scenes, often accompanied by politically incorrect ramblings and whatever character she s taken along for the ride. And soon you ll want to join her, and laugh with her, at her, and to yourself. \* Warning from the Author: Gentlemen, two things: 1) This book may hamper your sexual objectification of women with its TMI content. 2) But you may get lucky more often if you pay attention. Ladies, one thing: If...
