It is supposed that the Saxons called this district Gwalles, considering the Britons as Gauls; their language being named Gwallish, whence are said to have been derived the modern words Wales and Welsh. The Britons themselves, however, are asserted to have called their country Cambria, to commemorate their own ancient name of Cymry, which the Welsh still retain. But beside these domestic colonists, others of the persecuted Britons entirely abandoned their native country and, under the conduct of their Chiefs and Prelates, crossed the sea, and took possession of the desolate lands on the western coast of Armorica and having subdued the neighbouring settlements, they called the district Bretagne, or Brittany, in memory of that country whence they had departed.
