VALLEY OF THE SCARECROW (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Gord Rollo's chilling homage to slasher films! A [serial killer] who could rival all those slasher greats of the past. During the great depression, a small backwoods community in Iowa face even more difficult times than most, having to endure the slowly fading sanity of their leader, Reverend Joshua Miller. When it is clear the man has slipped beyond the edge of reason and perhaps signed a deal with the devil, the citizens unite to stop him any way they can, breaking into the church to lash the reverend to his wooden alter cross then boarding up the windows and doors to leave him to fate and God's judgment. The people of Oak Valley then abandoned their town to the cornfields and woods; ending the madness for what they hoped was forever. They were wrong! Seventy-four years later, the corn and trees have taken back the area and not much is left of the once thriving little community but Joshua Miller's desecrated church still stands, and within its boarded up and sun-baked walls something that used to be a holy man waits for whoever is unfortunate enough to release him from his cross. THE SCARECROW WILL WALK AT MIDNIGHT Don't miss out on this story that readers call. Horrifying and imaginative. Perfect for Halloween! A return to the golden age of horror! Chilling. Suspenseful. The murders are creative and gross! Special Bonus Content: The short story The Last Straw by Gord Rollo.
