DAW BOOKS, 2018. Paperback. Condition: New. Language: English . Brand New Book. Grave is the concluding novel in the haunting Queen of the Dead paranormal trilogy. Emma and her friends have survived the Necromancers sent to the city to kill them. They've gone to ground in a cottage north of the city, but time is not on their side. There are no barriers that can keep the dead out, and the dead obey their Queen. It's only a matter of time before they're found. Nathan has been blessed by the Queen of the Dead. She has granted him a physical body. He can eat, he can breathe, he can speak and be heard. The Queen calls this resurrection. Nathan calls it Hell. The living think he's alive. He's not. He's trapped in the citadel that the Queen of the Dead calls home. Emma wants to free him. To do that she has to survive long enough to reach the City of the Dead, and face its ancient Queen. But the city of the dead is the heart of the Queen's stronghold--and her power. Emma can't do it alone. She's not alone. But even with hunters and her own dead at her side, what hope does she have against a woman who has lived so long, and grown so powerful, she's almost a god?.
