A new eBook with a brand new point of view. It really is written in basic words and not confusing. I discovered this publication from my i and dad recommended this book to find out.

THE WIDOWS SON

Gardenia Press. Paperback. Condition: New. 395 pages. Enjoy the music, politics, fashion, television and movie fare of the 1960s. Based on the real life loss of the authors father, Bruce Steinberg brings his passionate tale home as told through the eyes of his oldest brother - a child on the cusp of manhood who does not easily take to wearing the crown of New Man of the House. The moment 12-year-old Jeremy Rosenberg witnesses his fathers death, Jeremy loses the world he assumed would last forever. With a young brother expecting their father to yet come home, a sister blaming herself, and a mother falling toward isolation, Jeremy is sent fatherless into the world just as he enters adolescence. Beautifully and memorably set in...
