When the FBI calls in Special Agent Todd Hutchinson and his team, the locals are glad to hand the case off. But Hutch finds a bigger mystery than anyone originally realized--seventeen linked murders committed in several different jurisdictions. Hutch's clues lead him to Noah Walker. Working on his PhD in forensic psychology, Noah has been obsessed with serial murders since he was a child. Noah finds himself hunted, striking him off Hutch's suspect list, but not off his radar. To catch the killer before anyone else falls victim, they'll have to work together to bring him to justice. First Edition published by Dreamspinner Press, 2014.
