Fred Raynaud, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the second book in a series on the life of a Seer and the gracious gift of God's pictorial language to His bride, the Church. In this volume we explore the Seer and Healing - How visions and dreams operate in the ministry of healing. It's a timely work. We live in exciting times! Everywhere you turn God is pouring out the Spirit of prophecy and revelation upon his people, often through the language of dreams and visions. Dreams and visions are one of many methods God uses in communication to His children while they do the works of the kingdom and pray for the sick. This series is for the everyday Christian, the average Joe, the layperson, people like you and me. I have written this book to release the folks that are sitting quietly in the back of the church and are not sure of how they fit in or what they can do to contribute to the Kingdom of God. With this series, I want to stir their hearts to go deeper, and pursue the ministry of healing. The Lord does speak to His people. He speaks to them through His Word. He speaks to them with that small still voice. He speaks to them through circumstance, and He speaks through the language of visions and dreams. This series will help you listen and see in a new way as you operate to fulfill God's will in your life. You will learn to understand how visions and dreams operate through gifting. whether it's a word of knowledge, prophecy, healing, or discerning of spirits. I pray this series will...
