Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Military and political leadership failed Americans. A year went by and the unethical experiments continued. The military denied help and law enforcement was not informed or equipped to investigate. Providing the Governor and the President with ready forces in support of state and federal authorities at home and abroad is the public mission statement of the Texas Military Department. Yet, people were worried and Texas was marked as hostile territory over a year prior. When local and national news reported on Jade Helm 15, the official narrative explained how Special Operations military exercises were to take place across seven states from July to September 2015. Where were the drills on private property and how was the military Mastering the Human Domain? News writers and pundits mocked while others feared tanks and troops with guns. Meanwhile, United States Army Special Operations Command planned unconventional warfare exercises that proved to be an invisible high-tech civil war brought to the minds of the citizenry. This book reveals the letter to the Governor of Texas - a request for help - that...
