Knots: Step-By-Step Guide To Making Different Knots And Ways To Use Them Though it seems most things we need are simply handed to us in this modern world, there are still useful skills that are important to have. When it comes to survival and being able to use what's around you, the ability to tie a knot is priceless. Most people know how to tie a basic knot. Simply wrap a piece of strong, cord, leather, or anything else around itself and pull until it's tight. Seems easy enough, but the simple knot isn't a very feasible knot to use for many activities, and though many people can figure out how to tie it, it does them little good. If you know how to tie a variety of knots, you are set regardless of what comes your way. Whether you need to tie a knot you know is going to hold, or you need to tie a knot that can slip and slide as your activity requires, knots are as varied as the projects they are used for. But isn't a knot a knot? Not quite, and this book is going to show you why. In it, I am going to show you not only how to tie 20 different kinds of knots, but how to put those knots to good use in your day. No matter what life has in store for you, all you need is a bit of cord or rope, and you are prepared. There's a variety of ways you can use knots in your day, and now, you will be unstoppable. Dive into the world of tying, and never be at a loss regardless of...
