Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is an exciting, moving and motivating story about raising one s self-esteem that is based on the author s own past experiences. The story endeavours to convey several important messages to the reader such as learning to live with one s imperfections and even turning one s weaknesses into strengths and in general bring about positive feelings about one self. In this story, the protagonist has a problem with his appearance and as a result has an inferiority complex which makes his life awkward. However, his best friend, his mother and a wise old man try to help him by devising various interesting and amusing schemes to overcome his much exaggerated concerns. Finally, he finds a clever way to utilize his imperfection to his own advantage and thus achieve the dream of his life. This novella was written initially (in the form of a radio play) in the Cypriot dialect of the Greek language and participated in the Cyprus Republic national radio play competition. It was selected and broadcast on 2nd of October 2016. Moreover, a music composer wrote the music of a song that uses the poetic verses, in the original Cyprus dialect, from the radio play. The song competed in the annual Cyprus state television song competition on 30th June 2017 and achieved the 6th position. Enjoy this story!.
