Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.
(Shyanne Senger)

COUTURE CROCHET WORKSHOP

Interweave Press, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A review of crochet standards, chart reading, and technique is combined in this guide with a course on sizing crocheted garments to fit like a glove--all in the interest of encouraging crocheters to try their hand at lace fashions that look as though they came straight off a ready-to-wear runway. Patterns include a metallic ribbon Chanel-style jacket, a lace shift dress with a mohair lace camisole, a cowl-neck trapeze tunic, and a chevron wedding dress with matching fingerless gloves. Those who want a gorgeous look in a smaller project will revel in the striking designs for hats, jewelry, and spangled evening bags. Explanations of accurate measuring, silhouettes, circular construction, shell and chevron stitches, and custom detailing demystify the more advanced designs, and beautiful photographs showcase all the finished pieces.
