## PREVENTING TERRORISM AND CONTROLLING RISK: A COMPARATIVE ANALYSIS OF CONTROL ORDERS IN THE UK AND AUSTRALIA

[DOWNLOAD PDF](#)

Springer-Verlag New York Inc., United States, 2013. Paperback. Book Condition: New. 2014 ed.. 300 x 84 mm. Language: English . Brand New Book. This Brief takes a provocative look at existing socio-legal literature with a comparative study of terrorism control orders, focusing on how the concept of pre-emption fits within a traditional criminological framework. This timely work examines how such measures might be conceived and interpreted within a situational crime prevention approach. Over the past decade, socio-legal scholars have identified a rise in pre-emptive control mechanisms to respond to terrorism and other threats in the post-9/11 world. Many have argued that this pre-emptive rationale has been used to justify the introduction of measures that transcend established legal and risk frameworks, to deal with individuals or groups thought to pose a threat to the state or its citizens. Preventing Terrorism and Controlling Risk: A Comparative Analysis of Control Orders in the UK and Australia will be of interest to researchers in Criminology and Criminal Justice, particularly with a focus on terrorism, risk assessment, and human rights.
