Aurora began as the town of Fletcher, named after the Denver businessman who had staked out the original four square miles for resale along with associates Samuel and Francis Perry. In 1907, burdened with debt from their founder and seeking a fresh start, the inhabitants of Fletcher petitioned to have the town renamed, and in April, it was officially dubbed the Town of Aurora. These first settlers overcame many obstacles on the bare, dry land that Maj. Stephen Long, an early explorer, called the Great American Desert. The outbreak of World War I brought revenue to the area s farmers as food prices soared, and Fitzsimons Army Hospital was established in 1918. Over the years, the scarcity of water has been a persistent problem, but Aurora has nonetheless grown from a quiet farming community to a sprawling city covering over 144 square miles.
