Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Value of the Intellectual Life: A Discourse The purpose of my discourse this morning is to interpret to you the legend of the stained glass window which has been placed in the north front of this church, in loving memory of John H. Smyth, and to draw from it the permanent lessons of truth and beauty which it seeks to convey to our souls. It is proper that I begin with some account of the man whom this beautiful work of Christian art commemorates. John H. Smyth was born in 1830 in Dublin, Ireland, and came of energetic and sturdy Scotch-Irish stock. In his infancy his parents emigrated to the New World. His education was gained in Quebec, and later at the Jesuit College in Montreal, where he graduated as a student of the law. He shortly after removed to Milwaukee, where he was admitted to the bar. The talented young lawyer, full of energy and ambition, longed for a larger field for the development of his powers. Accordingly, in 1862 he came to San Francisco. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
