Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Janie Wilkinson)

BLEACH / BLACKOUT (PAPERBACK)

Silverthought Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a story about living. Fans of fluffy romance novels and that all-too-familiar, over-hyped, edge-of-the-seat crap should steer clear. This is life at its most jaded. Offense Mechanisms, an imprint of Silverthought Press, is proud to present Bleach Blackout by David S. Grant, two novels about drugs, sex, revenge, the corporate crunch, and the inevitable unpleasantness of life and death. Bleach and Blackout are presented here in one double format (tete-beche) volume. Bleach opens during the last sixty seconds of 2003 in a bathroom where Jeremy, our jaded navigator through the endless repulsiveness of the world, watches a girl lay dying. Before diving into an explanation of what the hell is going on, Jeremy doubles back eight days. The entire story builds up to the climax of Sharon Winkler's infamous annual New Year's Eve party, where all the men are dressed as prostitutes, all the women look like pimps, decadence and debauchery dictate the rules, and the next guy through the door is sure to have a gun. Written in a cynical voice that rings true with today's young business class, Bleach is a story that encompasses the sentiments of a generation while examining the meaning of life in a world driven by greed. Blackout begins in Las Vegas, where Stoner and friends celebrate his bachelor party in a blur of strippers, crack cocaine, a little Thai, and Nic Cage. The next morning in Los Angeles brings an unwelcome surprise when Stoner's friends Chip and Jeremy wake to find police officers and a dead body for which they are allegedly responsible. Chip is charged with murder and his trial is being fast-tracked. What would Steven Tyler do?...
