Organization for Economic Co-operation and Development (OECD), France, 2011. Paperback. Condition: New. 2011 ed.. Language: English . Brand New Book ***** Print on Demand *****.The theme of this fourth edition of Pensions at a Glance is pensions, retirement and life expectancy. Many countries have increased pension ages in the face of population ageing and longer lives. Some have introduced an automatic link between pensions and life expectancy. Improvements to the incentives to work rather than retire are also a common part of recent pension-reform packages. However, ensuring that there are enough jobs for older workers remains a challenge. An in-depth look at these important policy issues is provided by five special chapters on: pension ages, retirement behaviour, pension incentives to retire, the demand for older workers and linking pensions to life expectancy. This edition updates information on the key features of pension provision in OECD countries and provides projections of retirement income for today s workers. It offers an expanded range of 34 indicators, covering the design of national retirement-income provision, pension entitlements, incomes of older people, the finances of pension systems, the demographic and economic context in which pension systems operate and private pensions. More countries are analysed than in previous editions, including four new members of the OECD: Chile, Estonia, Israel and Slovenia. Where possible, data are also provided for the other major economies in the G20: Argentina, Brazil, China, India, Indonesia, Russia, Saudi Arabia and South Africa. Along with data on the European Union s 27 member states, this brings to 43 the number of economies covered in the report. About Pensions at a Glance. An extraordinarily useful and careful compilation of pension information for a wide-range of countries, presented in a common format and following a thoughtful structure. The authors have brought cross-national pension comparisons to...
