iUniverse, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Forklifts Have Nothing To Do! provides practical methods for improving supply chain operations. Colonel Joe Walden has spent more than 25 years leading supply chain operations. Improving your supply chain will improve your bottom line, regardless of your industry. His recommendations draw on examples in civilian industry and military operations, including his recent experiences in Operation Iraqi Freedom. Supply chain operations in the military are very similar to supply chain operations in commercial industry. Both have the ability to improve operations for the customer.
