Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Grove Press / Atlantic Monthly Press, United States, 2005. Paperback. Book Condition: New. American.. 204 x 138 mm. Language: English . Brand New Book. With the publication of *Kafka's Curse*, Achmat Dangor established himself as an utterly singular voice in South African fiction. His new novel, a finalist for the Man Booker Prize and the IMPAC-Dublin Literary Award, is a clear-eyed, witty, yet deeply serious look at South Africa's political history and its damaging legacy in the lives of those who live there. The last time Silas Ali encountered Lieutenant Du Boise, Silas was locked in the back of a police van and the lieutenant was conducting a vicious assault on Silas's wife, Lydia, in revenge for her husband's participation in Nelson Mandela's African National Congress. When Silas sees Du Boise by chance twenty years later, as the Truth and Reconciliation Commission is about to deliver its report, crimes from the past erupt into the present, splintering the Alis fragile peace. Meanwhile Silas and Lydia's son, Mikey, a thoroughly contemporary young hip-hop lothario, contends in unforeseen ways with his parents' pasts. A harrowing story of a brittle family on the crossroads of history and a fearless skewering of the pieties of revolutionary movements, *Bitter Fruit* is a cautionary tale of how we do, or do not, address the past's deepest wounds.
