Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. March 2015 Emails fly between scientific departments across the globe. Researchers from Iran, Switzerland and Thailand excitedly discuss their findings about how men they have treated with extracts of rose have recovered lost sexual function and started to rise out of deep depression after just eight weeks. Their work follows an equally ground breaking paper published in a 2012 edition of Chemical Senses. Japanese researchers studied the effects that rose essential oil had on stress related skin flare ups. Carefully plotting the neurochemical pathways triggered by the rose they were able identify exactly how stress affects the skin, but more importantly.how rose can prevent these break outs too. Most excitingly the medicine was not taken internally, or even applied to the skin, it was achieved entirely by inhalation of essential oils. Aromatherapy in its absolute truest sense. Orthodox medicine now accepts the mind body spirit connection, and is making extraordinary leaps forward explaining exactly emotional distress affects the physical body. This book investigates the contemporary medicine achieved by rose and compares it with the ancient medicines from long ago. Come with me...
