

Awakening the Pharaoh: How to Avoid World Cataclysm in 2012 (Paperback)

Filesize: 6.74 MB

Reviews

Totally one of the better pdf I actually have at any time go through. It is loaded with knowledge and wisdom You can expect to like just how the author write this book.

(Mr. Grover Kuphal PhD)

AWAKENING THE PHARAOH: HOW TO AVOID WORLD CATAclySM IN 2012 (PAPERBACK)**DOWNLOAD**

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.AWAKENING THE PHARAOH How to Avoid World Cataclysm in 2012 * The story described in this book refers to real and authentic events and people. * Since May 2001 we have obtained information on the location of the tomb of Pharaoh who built the Great Pyramid in Egypt. This information was obtained from a Polish woman, Lucyna Lobos, through sessions of hypnotic age regression. * The excavation of the Pharaoh s tomb and placing the mummy in the sarcophagus of the Great Pyramid is suppose to open the Pyramid and create a protection from catastrophic changes such as global warming and natural disasters, especially from the danger of year 2012, i.e. changing of the Earth polarity. * According to obtained information, the Great Pyramid was constructed about 6,500 years ago by the Pharaoh whose name was THE ONE WHO CAME FROM HEAVEN. * The main builders of the Pyramid originated from a distant civilization in the Orion Constellation and were from a planet called Ashun. During the Pyramid s construction the people of the earth only performed basic lighter tasks. * In order to empirically validate this information from the age regression sessions with Lucyna Lobos, the University of Wroclaw (Poland) has initiated archeological excavations in the southern mountain in Poland called Sleza in August 2004. These excavations are still proceeding today. * To further validate this information, the University of Cairo performed radar ground penetrating research (GPR) in the area of the Great Pyramid to the depth of over 60 meters in February 2006. This was achieved with the permission of the Supreme Council of Antiquities in Egypt.
