Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Special. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sarah Burge creates a fun autobiographical character Mr Boo Hunter, the super human dog with telepathic communication skills (to front) as the talented dog who explodes onto the scene as he documents his adventures in this special edition in the Woofbook Inc series of children s books. Mr Boo and Nik Nak explode onto the scene in a sizzling arena of fun excitement and canine capers as the doggie-dorable duo brought together from opposite sides of the world and different beginnings by one small girl sent down from the dog Gods as prototype #1, to #help #educate #create #explore, and make the world a better place, in a fast paced action adventure highlighting today s social problems through the exploration of dogs with no holding back! But first they have to unlock the secret to the mysterious Miss Penelope, face their fears, learn the bark code and find out what the dog flap is really for? For only then they will be ready! The engaging duo rise to a higher level of intelligence with the help of their Miss Penelope, for when a black box lights up on the wall they flip into secret agents as they are transported globally to sniff out danger and save the world through their social networking faculty Woofbook Inc as they are Howlagraged in to solve mysteries. But in their spare time it s not all work and no play as they strut their stuff in model mayhem, are TV stars, attend doggie weddings, become fly ball champions and simply DONT do it like they do on the discovery channel. The Doggiedorable duo reveals the modern day dog, now being the latest...
