

## The effect on international business of the problems in Egypt and the Middle East

By Renee Stah

GRIN Publishing Jun 2014, 2014. sonst. Bücher. Condition: Neu. Neuware - Essay from the year 2011 in the subject Business economics - Economic Policy, grade: A+ High Distinction, RMIT University, course: Business in a Global Context, language: English, abstract: In January 2011, anti-government protests aimed at forcing President Hosni Mubarak to resign, caused riots and a political crisis across Egypt and the Middle East. Lack of economic progress, high unemployment rates, and young people's zeal for more opportunities and an escape from poverty, sent thousands of protestors into the major cities of Egypt to demonstrate their anger. As a result, an Egyptian Revolution has begun and is having a wide economic and political impact on local business and global trade, and has propagated various economic and political risks in Egypt, the entire Middle East/North Africa region and to some extent, the rest of the world. 20 pp. Englisch.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

*-- Prof. Kirk Cruickshank DDS*

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*

*-- Justus Hettinger*
