Listening for Democracy: Recognition, Representation, Reconciliation (Paperback)

By Andrew Dobson

Oxford University Press, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Although much prized in daily conversation, good listening has been almost completely ignored in that form of political conversation we know as democracy. This book examines the reasons why so little attention has been paid to the listening aspect of democratic conversation, explores the role that listening might play in democracy, and outlines some institutional changes that could be made to make listening more central to democratic processes. The focus on listening amounts to a reorientation of democratic theory and practice, providing novel perspectives on enduring themes in democracy such as recognition, representation, power and legitimacy-as well as some new ones, such as silence. Eschewing the pessimism of the realist turn in democratic theory, the book shows how attention to listening can breathe life into the democratic project and help us to realise some of its objectives. Drawing on practical examples and multidisciplinary sources, the book shows how listening should be at the heart of representative and deliberative democracy rather than peripheral to them. It develops a notion of dialogic democracy based on structured, apophatic , listening, and meets the challenge of showing how this...
