

Instrumentation for a Better Tomorrow: Proceedings of a Symposium in Honor of Arnold Beckman

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

INSTRUMENTATION FOR A BETTER TOMORROW: PROCEEDINGS OF A SYMPOSIUM IN HONOR OF ARNOLD BECKMAN

National Academies Press. Paperback. Book Condition: new. BRAND NEW, Instrumentation for a Better Tomorrow: Proceedings of a Symposium in Honor of Arnold Beckman, Board on Physics and Astronomy, Division on Engineering and Physical Sciences, National Research Council, National Academy of Sciences, On November 15, 2004, the National Academies sponsored a symposium at the Beckman Center in honor of Arnold O. Beckman. The symposium concentrated on the wide-ranging practical applications of scientific instrumentation as was the focus of much of Arnold Beckman's career. The report begins with two presentations: a remembrance by Arnold Beckman's daughter, Pat, and an overview of his life and accomplishments by Arnold Thackray, President of the Chemical Heritage Foundation. The next section contains presentations on the application of instrumentation in seven, diverse areas: organic chemistry, molecular and systems biology, synchrotron x-ray sources, nanoscale chemistry, forensics, and clinical medicine. Finally, there is a summary of a panel discussion on the evolving relationship between instrumentation and research.
