Brand New Book ***** Print on Demand *****.Excerpt from Republican Imperialism Is Not American Liberty The designation United States, implies associated individuality. If the name State of America had been preposed in the Constitution, it would doubtless have been rejected with unanimity. To such a conclusion we must come from the events attending its formation and adoption which led to the express declaration that the enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained, in addition to that before quoted, declaring that the powers not delegated, are reserved to the States. No one can acquaint himself with the history of that period without conceding the fact that the various States which by the Declaration of Independence had proclaimed that they are, and of right ought to be, free and independent States, and which by the treaty of peace with Great Britain, were acknowledged to be free, sovereign and independent States, could not by the provisions of the Constitution have intended or perpetuated an act of self destruction; casting themselves, at the moment when ennobling realities were clustering around them, elated...
