

An Astonishingly Free Salvation

By Richard S. Beal

One World Press. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 8.4in. x 5.5in. x 0.4in. This book is not designed to counter the disbelievers but rather to open a significant biblical concept for Christians who simply do not know what to believe or how to make sense of the Bible. With conflicting teaching coming from all sides, many Christians, although not renouncing their faith, simply give up. Others, although believing the Bible and unwilling to give up, understand little of its message. Then some wonder what the real way is to become a Christian, if there is a real way. It seems appropriate to select the most fundamental of all biblical subjects: what do the Scriptures teach about God's offer of salvation. Whom do I invite to read the book? Anyone who is the least bit interested in the topic. This includes skeptics, brand new believers whose knowledge of what the Bible teaches may be quite limited, and veteran Christian Bible students who may find something to add to their store of Bible knowledge. As well, it includes those jaded Christians whose initial response is, 'Salvation? Haven't I been subjected to enough of that? Let's get on with something more...'.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
