Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wanted to write a book but didn't know how? How To Write a Book From Scratch is the step-by-step answer you need. It's a comprehensive guide to the creative process of writing and publishing a book. It's the book I wish I had to read when I first began. If you've not yet written a word but always felt there is a book inside of you waiting to get out, then get your hands on this book today. The step-by-step guide allows you to pick up from wherever you are in the writing process, even if you've nearly finished your manuscript but aren't sure of the next step. I have learned so much about writing a book and wanted to put it all into an easily accessible resource, which will help you write your first book and become an author. This book is a roadmap for any first time non-fiction author. As well as the basics, I wanted to address many of the technical aspects which often leave authors powerless, frustrated and out of pocket financially. Things like: - Creating a book proposal - Writing tips and insights - The detail of the editing process - Typesetting - Proof reading - Cover design - Developing your own author platform - Front and back book material - ISBN issues - Pricing your book - Publishing with different platforms - When to use and not use professional help This book provides insights on it all with the aim of helping you navigate what otherwise can be a tedious, frustrating and time-consuming journey. This book will help, inspire and genuinely contribute towards your journey of...
