## PayTren: Solution Poverty Alleviation

By Erwanda Nuryahya

LAP Lambert Academic Publishing Feb 2018, 2018. Taschenbuch. Condition: Neu. Neuware - The purpose of writing this book is to analyze the partnership model owned by Paytren company in running its business, so that the results can later be used as a reference to provide alternative solutions to the problems of poverty in Indonesia by utilizing technological developments. Currently the development of technology has been so rapidly in helping all human activities, the creation of online applications in terms of transportation to robot sophisticated robot has helped complete all human activities. Technology has also penetrated into the proven financial industry according to OJK data until the end of 2017 the number of companies engaged in the financial Industry amounted to about 600 companies. On the other hand, Indonesia's development problems are still not resolved, one of the most important development issues is poverty. Until the end of 2017 the number of poor people in Indonesia is 10.70% (27 million people) of the total population of Indonesia. One of the causes of poverty that is high enough is the limited employment that causes the lack of ability of the community to meet the needs of life. 52 pp. Englisch.
