Piracy and Maritime Crime: Historical and Modern Case Studies: Naval War College Press Newport Papers, Number 35

By David Rosenberg

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 282 pages. Dimensions: 9.4in. x 6.7in. x 0.9in. Recent naval operations by the world's major navies show a clear revival of interest in piracy and piracy suppression. The present work of collaborative scholarship, completed as a project in the Maritime History Department at the U. S. Naval War College, demonstrates that historical insights from a selection of piracy case studies over the past two centuries have potential relevance to current and future thinking about antipiracy operations. This monograph is intended as a contribution to both scholarship and professional naval thinking; it is an academic and comparative examination of twelve selected case studies from maritime history used to illuminate a range of concepts and uses of piracy suppression. The twelve case studies provide the basis for the conclusions, an approach that provides a more thorough understanding of the uses and limitations of naval antipiracy operations in the context of new maritime technologies and within a wider range of modern national policy goals than might otherwise be achievable. Above all, this collection provides a sound basis for comparative analysis of varying historical experiences that can stimulate new and original thinking...
