Reviews

This written book is excellent. It typically is not going to price a lot of. I found out this book from my dad and i encouraged this book to discover.

(Darrin Abbott)

BEYOND CIVILIZATION (PAPERBACK)

Random House USA Inc, United States, 2001. Paperback. Condition: New. Pbk. Language: English . Brand New Book. In *Beyond Civilization*, Daniel Quinn thinks the unthinkable. We all know there's no one right way to build a bicycle, no one right way to design an automobile, no one right way to make a pair of shoes, but we're convinced that there must be only one right way to live -- and the one we have is it, no matter what. *Beyond Civilization* makes practical sense of the vision of Daniel Quinn's best-selling novel *Ishmael*. Examining ancient civilizations such as the Maya and the Olmec, as well as modern-day microcosms of alternative living like circus societies, Quinn guides us on a quest for a new model for society, one that is forward-thinking and encourages diversity instead of suppressing it. *Beyond Civilization* is not about a New World Order but a New Personal World Order that would allow people to assert control over their own destiny and grant them the freedom to create their own way of life right now -- not in some distant utopian future.
