

Cardano s Cosmos: The Worlds and Works of a Renaissance Astrologer (Paperback)

By Anthony Grafton

HARVARD UNIVERSITY PRESS, United States, 2001. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book ***** Print on Demand *****. Girolamo Cardano was a Italian doctor, natural philosopher, and mathematician who became a best-selling author in Renaissance Europe. He was also a leading astrologer of his day, whose predictions won him access to some of the most powerful people in 16th century Europe. In this book, the author invites readers to follow this astrologer s extraordinary career and explore the art and discipline of astrology in the hands of a brilliant practitioner. Renaissance astrologers predicted everything from the course of the future of humankind to the risks of a single investment, or even the weather. They analyzed the bodies and characters of countless clients, from rulers to criminals, and enjoyed wide-spread respect and patronage. This book traces Cardano s contentious career from his first astrological works. Delving into astrological principles and practices, Grafton shows how Cardano and his contemporaries adapted the ancient art for publication and marketing in a new era of print media and changing science. He maps the context of market and human forces that shaped Cardano s practices - and the manoeuvring that kept him at...
