Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Talon Books,Canada. Paperback. Book Condition: new. BRAND NEW, Fronteras Americanas: American Borders (2nd Revised edition), Guillermo Verdecchia, Fuelled by equal parts outrage, intelligence, and wit, Fronteras Americanas recreates one person's struggle to construct a home between two cultures, while exploding the images and constructs built up around Latinos and Latin America. This one-person play works through bold juxtapositions and satiric reference points: Simon Bolivar and Speedy Gonzales; Columbus and Fodor's travel guides; Ricky Ricardo and the Latin Lover; La Bamba and Placido Domingo; Carlos Fuentes and American drug-war movies. Verdecchia twirls stereotypes and cliches, offers comparative histories, examines myths and mysticism, and provides lessons in language and dancing. However, even as the ungovernable and surrealistic Fecundo Morales Secundo, or "Wideload," edifies us about how sex between a "Latin" and a "Saxon" can be "a mind-expanding and culturally enriching experience," eloquently quoting Octavio Paz and Federico Garcia Lorca in direct response to contemporary struggles and injustices, he also transcends his role of "estereotype," reaching a place beyond maps that are only metaphors where borders are more than divisions between countries and take on the most outlandish properties. In Verdecchia's preface to the new edition, when examining his reasons for bringing forth a "refried" form of Fronteras Americanas in the 21st century, he indicates: There are, after all, people all over the globe living, crossing, resisting, defining, and defending linguistic, cultural, racial, gender, psycho- geographical, cartographic, political and other borders. While the world has changed in many ways since I first wrote and performed it, the processes of migration, displacement, and globalization that informed the play's creation have only accelerated. Some of us may lead more networked lives now, but the Border is alive and well and living all over the globe. Cast of 1 man.
